ATTN: Mr. Hazzard

Dear Mr. Hazard:

We hereby acknowledge receipt of Form C-103, C-105 and Affidavit of Responsibility Conversion to Water Well on the subject well.

Upon receipt of Form C-103 stating that the pits have been filled and levelled, the location cleared of junk and a signed statement from the rancher that this has been done to his satisfaction; the well will then be released for use as a water well.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

OIL CONSERVATION COMMISSION
