Re: Necessary applications  
for New Mexico permit  
HOM #2 Lewelling

Attention: Mr. Bill Gressett

Dear Sir:

Attached are five copies of the application to drill the Houston Oil and Minerals Corporation No. 2 Lewelling, along with three copies of the well location and acreage dedication plat. In addition, five copies of the BOP stack schematic diagram are enclosed.

If there is any additional information you request, or any questions, do not hesitate to contact us. (Questions may be directed to Mr. Ron Scott, district drilling engineer).

Respectfully yours,

Gail A. Souder  
Drilling Secretary
