**Re: Case No. 12811**  
Cibola Energy Corporation  
Ysletano Canyon Federal Well No. 1

Dear Mr. Brooks:

By letter dated February 7, 2002, Mr. Yates set forth the history of the Ysletano Canyon Federal Well No. 1 and asked to be informed why the Division considered this well to be in a "non-compliant" status. Attached is the BLM Form noting the results of today's well integrity test. You will see the BLM has approved the status of this well for the next 12 months.

If the Division still considers this well to be "non-compliant" and intends to call this well for hearing on February 21<sup>st</sup>, please explain the basis for such action.

Sincerely,

Michael H. Feldewert

Jalapeno Corporation  
Louise Yates State Well No. 1 (API No. 30-005-62894)

Dear Mr. Brooks:

Enclosed please find Administrative Order SWD-830. I understand from our earlier conversations that this order sets forth the "remedial action" necessary for this well and that this matter will be removed from the list of "non-compliance" wells subject to hearing under Case No. 12811.

If the Division still considers this well to be "non-compliant" and intends to call this well for hearing on February 21<sup>st</sup>, please explain the basis for such action.

Sincerely,

  
Michael H. Feldewert
