Re: Beard Oil Company #4 Jornada del Muerto  
NE NW Section 2-15S-1E  
Sierra County, New Mexico

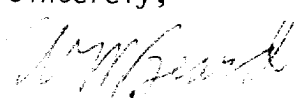

Dear Mr. Gressett:

In compliance with our telephone conversation earlier, enclosed herewith are two final prints of the Dual Induction-Laterolog and of the Simultaneous Compensated Neutron-Formation Density log run in the captioned test well.

Also enclosed are original and four copies of Form C-103, Notice of Intention to Temporarily Abandon, which we have completed.

We certainly appreciate the cooperation and assistance you have given us during the progress of this operation.

Sincerely,

W. M. Beard  
Chairman of the Board of
