REPORT OF THE COMMITTEE ON THE STATUS OF THE  
FACULTY OF THE DIVISION OF THE PHYSICAL SCIENCES

The Committee on the Status of the Faculty of the Division of the Physical Sciences was organized in 1964 to study the problems of the faculty of the Division. It has since that time held a series of meetings and has received many suggestions from the faculty. The Committee has now completed its study and is submitting this report to the University of Chicago.

The Committee believes that the faculty of the Division is in a strong position to continue its work. It has a high level of scholarship and a strong commitment to the advancement of the physical sciences. The Committee believes that the faculty should continue to be supported by the University of Chicago.
