17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well is still Temporarily abandon. We purchased this lease July 1, 1974, at which time the well was abandon. We are trying to get the lease legal papers straighten out as all correspondence on the lease was lost going thru 2 deaths. As soon as we can get the legal problems settled, we plan to work this well over and place on production
