Dear Sir:

A letter from J. S. Ward & Son, Inc. states you cannot release the Woolley & J. L. Metcalf Bond on the Pecos No. 1 due to not having a complete report.

According to our files we have submitted all reports that we are required to. We thought everything was in order.

Please advise us if there is some report that we have failed to fill out and we will fill it out at once and mail it to you.

Respectfully
