tion to Drill, Brown & Thorp
Oil Co., No. 1, Superior State,
NW/4E, Sec. 12-17E-28E, Wilcox,
Hidalgo County.

Dear Mr. Kinney:

Please find enclosed the approved copies of "Notice of Intention to Drill" the above captioned well.

It is my opinion that the surface casing program as submitted will have to be altered somewhat in regard to the amount of casing and also the amount of cement that we shall need. It is my thoughts that this can be determined as drilling progresses. Therefore, if you will keep us advised we will work this problem out at a later date.

Yours very truly,
