Gentlemen:

In reply to your letter of September 18, in which you state your well upon Section 26-18-28 has heretofore been shown as well No. 1 and that you desire to change it to No. 77, the method by which this is accomplished is to file a C-102 in triplicate stating that such notice is for the purpose of changing the number of said well from No. 1 to 77.

Please submit C-102 to Roy O. Yarbrough, Oil and Gas Inspector, Hobbs, New Mexico.

Very truly yours,

John M. Kelly
Director
