OTHER:

NOTE: Report results of multiple completion on Well
(completion or Recompletion Report and Log form.)

17. DESCRIBE PERTINENT DATA (Include operator's company, state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directional, drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

We request that this well be held for a possible recompletion up the hole.

Well was shut in January, 1965 for economical or mechanical reasons.

After feasibility studies are completed work should be commenced within the next two years.
