

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the specific procedures for recording and verifying transactions, ensuring that all data is entered correctly and reviewed thoroughly.

2. The second part of the document focuses on the role of the audit committee in overseeing the financial reporting process. It details the committee's responsibilities, including reviewing the financial statements, assessing the effectiveness of internal controls, and ensuring compliance with applicable laws and regulations. The document also describes the communication channels between the audit committee and management, highlighting the importance of regular meetings and clear reporting lines.

3. The third part of the document addresses the challenges faced by the organization in implementing robust financial controls. It identifies key areas of concern, such as the complexity of the business operations, the rapid pace of technological change, and the limited resources available for financial management. The document proposes several strategies to overcome these challenges, including the implementation of new software systems, the hiring of additional staff, and the establishment of a strong culture of financial integrity.

4. The final part of the document provides a summary of the key findings and recommendations. It reiterates the importance of maintaining accurate records and effective internal controls, and encourages the organization to continue to improve its financial management practices. The document also includes a list of references and a glossary of terms, providing a comprehensive overview of the financial reporting process and the role of the audit committee.
