

This form to be filled out by the operator of the well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drift stem tests. All data reported shall be measured by the operator. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each completion. The form to be filed in duplicate except on state land, where six copies are required. See Rule 1185.
