17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Summit Energy, Inc. requests permission to test the subject well. We have set an oil and gas separator and will meter the gas used in testing. No gas will be flared. It is our intention to test the well to determine if it will furnish irrigation gas to the landowner. The well is non-commercial to any other purchaser. The test period will be for (2) weeks.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
