13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

The well is currently shut in and cannot be repaired economically. We have received partner approval to plug the well and intend to do so before January 15, 1996.

We will be requesting approval of the plugging procedure as soon as it is determined. We request permission to coordinate the plugging operations with those of the Federal "33" No. 2 also in your district and the Midwest Federal No. 3 of the Roswell District.
