 Water Shut-Off
 Conversion to Injection
 Dispose Water

(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

7/29/94 After we cleaned well out to 1241', circ dye two times in order to attempt to estimate cmt. Evidently, in 1971 Moran drld salt section w/fresh water. We did not feel like we could circ cmt. Received verbal approval from Shannon Shaw to bring cmt up to the base of the salt and braidenhead squeeze down to the top of the salt which will sufficiently isolate the salt section.

J. Lara
