Oil Conservation Commission
P.O. Drawer DD
Artesia, New Mexico

Gentlemen:

Enclosed is corrected Form C-104, Request for Allowable and Authorization to Transport Oil and Natural Gas, for Atoka Grayburg Unit - Tract 4 well No. 3.

On the original report we inadvertently listed Phillips Petroleum Company as taking the casinghead gas from this well, whereas it is being flared, as the amount of gas produced is too small for a connection.

Yours very truly,

John R. Weisz
Division Clerk
