Gentlemen:

On January 29, 1959, we received a form C-110 on your V. L. Leavitt, Well #1 G, Unit B, Section 13-185-26E, stating that you were plugging this well on that date, but the well hasn't been plugged. The form C-110 was signed by C. F. Dwyer.

Will you please give us a report on this well at once.

Very truly yours,
