Dr. E. H. Wells,
State Geologist,
Santa Fe, New Mexico

Dear Dr. Wells:

This is in reply to your letter of
April 24th, regarding the Scott-Kaiser well.

I will be glad to get together with
Mr. McClure on this matter whenever it is
convenient for him and I will assure you that
I am more than glad to cooperate with his
office on matters of this sort.

Cases of this nature cause more grief
and dissatisfaction than a dozen wells in the
heart of a field and I would be glad to get this
one out of the way for good.

I wish you would ask him to notify me
two or three days in advance so I will be here
when he arrives.

Very truly yours,

J. D. Hunter,
Oil & Gas Inspector.

CC: Socorro.
