Oil Conservation Commission,

Santa Fe, N.M.

Gentlemen:

Enclosed herewith is the bond of Lee
Vandagriff for the old Kaiser-State Well No. 1,
which was sent to me by mistake.

I notice that the bond submitted on the
form for patented land, when the well is on State
Land.

Kindly advise me regarding the above.

Very truly yours,

JFV/s

F. J. Vesely,
State Oil & Gas Inspector,
