Dear Bill:

Enclosed are 10 copies of Form C-104, which I have been instructed to submit to the New Mexico Oil Conservation Commission, for a temporary allowable pending a hearing concerning the captioned lease October 8, 1975.

I was instructed to fill out only the first three (I, II & III) sections and submit to Commission and notify you who the transporter would be. As I understand it, the Commission has granted us a temporary allowable of 750 bbls. for September and 500 bbls. for October.

I am also enclosing copies of forms that I filed with the U.S.G.S.

With kindest regards,

Very truly yours,

*Robert G. Cox*
