Field Inspection Program
"Preserving the Integrity of Our Environment"

12/16/2002

Prairie Sun Inc.
PO Box 8280
Roswell NM 88202

Dear Operator:

The following inspection(s) indicate one or more violations as described in the detail section below. The inspection(s) indicates that the well, equipment, location or operational status failed to meet standards of the New Mexico Oil Conservation Division. To comply with standards imposed by Rules and Regulations of the Division, corrective action must be taken immediately and the situation brought into compliance. The detail section below indicates preliminary findings and/or probable nature of the violation. This determination is based on an inspection of your well or facility by an inspector employed by the Oil Conservation Division.

Please notify the proper district office of the Division of the date corrective actions are scheduled to be made so that arrangements can be made to reinspect the well and/or facility.

INSPECTION DETAIL SECTION

1/21/03 NIC

API No	Well Name	No	UL	Sec	Twnshp	Range	Violation
30-015-28142	Tracy 29 Fed	1	O	29	17	31	Violation of Rule 103 – No well sign.

In the event that a satisfactory response is not received to this letter of direction on or before 01/17/03, further enforcement will occur. Such enforcement may include this office applying to the Division for an order summoning you to a hearing before a Division Examiner in Santa Fe to show cause why you should not be ordered to permanently plug and abandon this well. Such a hearing may result in imposition of **CIVIL PENALTIES** for your violation of OCD rules

Sincerely,

Oil Conservation Division, District II
