#1 in unit J,
Section 4-19-31
Shugart Pool

Gentlemen:

Our file for the subject well shows no transporter of casinghead gas recorded. However, Form C-115, "Operators Monthly Report," for this well indicates that Phillips Petroleum is the gas transporter. If the gas is connected, please file Commission Form C-104, enclosed, showing the transporter. Please fill in sections I, II, III and VI completely. If the gas is not connected please do not show a transporter on Form C-115.

Very truly yours,

Oil Conservation Commission
