Re: **Well Placed In Pool**

Gentlemen:

As the result of Division Order R-10529 the following described well has been placed in the pool shown below. This change in nomenclature has been made in our files. Please change your records to reflect the proper pool name. All subsequent reports must show this nomenclature until further notice.

**Dagger Draw; Upper Penn., North Oil Pool  
Ottawa "AOW" Federal #1  
Unit K, Section 3, Township 19 South, Range 25 East, NMPM  
Poolcode: 15472**

Transporters are advised, by copy of this letter, to change their records to reflect the pool name as established by this order, effective January 1, 1996

Sincerely,

Bryan Arrant  
District Geologist

**Job separation sheet**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It highlights the importance of using reliable sources and ensuring the accuracy of the information.

3. The third part of the document discusses the challenges and limitations of data collection and analysis. It notes that while technology has advanced, there are still many obstacles to overcome, such as data privacy and security concerns.

4. The fourth part of the document provides a summary of the key findings and conclusions. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.

5. The fifth part of the document offers recommendations for future research and practice. It suggests that further exploration of data collection and analysis techniques is needed to address the challenges and limitations identified in the document.

6. The sixth part of the document discusses the implications of the findings for various stakeholders, including researchers, practitioners, and policymakers. It highlights the need for collaboration and communication to ensure that the information is effectively used.

7. The seventh part of the document provides a final summary and conclusion. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.

8. The eighth part of the document offers a final recommendation for future research and practice. It suggests that further exploration of data collection and analysis techniques is needed to address the challenges and limitations identified in the document.

9. The ninth part of the document discusses the implications of the findings for various stakeholders, including researchers, practitioners, and policymakers. It highlights the need for collaboration and communication to ensure that the information is effectively used.

10. The tenth part of the document provides a final summary and conclusion. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.

11. The eleventh part of the document offers a final recommendation for future research and practice. It suggests that further exploration of data collection and analysis techniques is needed to address the challenges and limitations identified in the document.

12. The twelfth part of the document discusses the implications of the findings for various stakeholders, including researchers, practitioners, and policymakers. It highlights the need for collaboration and communication to ensure that the information is effectively used.

13. The thirteenth part of the document provides a final summary and conclusion. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.

14. The fourteenth part of the document offers a final recommendation for future research and practice. It suggests that further exploration of data collection and analysis techniques is needed to address the challenges and limitations identified in the document.

15. The fifteenth part of the document discusses the implications of the findings for various stakeholders, including researchers, practitioners, and policymakers. It highlights the need for collaboration and communication to ensure that the information is effectively used.

16. The sixteenth part of the document provides a final summary and conclusion. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.

17. The seventeenth part of the document offers a final recommendation for future research and practice. It suggests that further exploration of data collection and analysis techniques is needed to address the challenges and limitations identified in the document.

18. The eighteenth part of the document discusses the implications of the findings for various stakeholders, including researchers, practitioners, and policymakers. It highlights the need for collaboration and communication to ensure that the information is effectively used.

19. The nineteenth part of the document provides a final summary and conclusion. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.

20. The twentieth part of the document offers a final recommendation for future research and practice. It suggests that further exploration of data collection and analysis techniques is needed to address the challenges and limitations identified in the document.

21. The twenty-first part of the document discusses the implications of the findings for various stakeholders, including researchers, practitioners, and policymakers. It highlights the need for collaboration and communication to ensure that the information is effectively used.

22. The twenty-second part of the document provides a final summary and conclusion. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.

23. The twenty-third part of the document offers a final recommendation for future research and practice. It suggests that further exploration of data collection and analysis techniques is needed to address the challenges and limitations identified in the document.

24. The twenty-fourth part of the document discusses the implications of the findings for various stakeholders, including researchers, practitioners, and policymakers. It highlights the need for collaboration and communication to ensure that the information is effectively used.

25. The twenty-fifth part of the document provides a final summary and conclusion. It reiterates the importance of maintaining accurate records and using reliable data sources to ensure the integrity of the information.
