Re: Seigrest Draw No. 1
Section 27, T19S R23E, N.M.P.M.
Eddy County, New Mexico

Gentlemen:

I am the owner of the surface land where on Wm. B. Barnhill drilled a well known as the Seigrest Draw No. 1, being located 660' from the north line and 660' from the west line of Section 27, Township 19 South, Range 23 East, N.M.P.M., Eddy County, New Mexico.

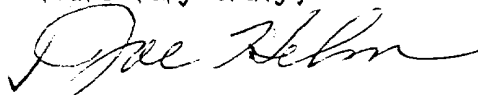

It is my desire to take over the ownership of this well for possible future use as a water well in conducting my ranching operations,

The site of said well has been cleared of all junk and left in a condition such that any damage to the surface is minimal.

Your approval is requested that I be allowed to become the owner of the above described well for conversion to a water well at such time the need may arise.

Thank you.

Yours very truly,

Joe Helm

NEW MEXICO OIL CONSERVATION COMMISSION

AFFIDAVIT OF RESPONSIBILITY
CONVERSION TO WATER-WELL

STATE OF NEW MEXICO
ARTESIA COUNTY

STATE OF New Mexico)
County of Eddy) ss.

Wm. B. Barnhill, being first duly sworn according to law, upon his oath deposes and says:

1. That he is Owner and or Operator
(Title) (Operator)
whose address is P.O. Box 1354, Roswell, New Mexico 88201.

2. That Wm. B. Barnhill is the operator of a well drilled on land be-
(Operator)
longing to Joe Helm, whose address is Box 1081, Artesia, New Mexico
(Landowner)
88210,

said well being drilled to test for hydrocarbons and/or carbon dioxide gas and described as the Seigrest Draw No. 1, being located 660 feet from the North line and 660 feet from the West line of Section 27, Township 19 South, Range 23 East, NMPM, Eddy County, New Mexico.

3. That said well was drilled to a total depth of 430 feet, and that casing has been set and cemented as follows:

13 3/8 csg., 61# cemented 300 sx @ 249.65 feet, 6 cubic yards ready mix at surface.

4. That operator and landowner have made an agreement whereby operator ~~(is not)~~ (is not) to back fill pits, level location, and clear it of all junk.* The agreement further provides that operator is to plug said well back to a plugged-back total depth of (as is) feet and transfer well to landowner for his use as a water-well. Operator will leave casing in the well as follows:

As above.

5. That when operator has complied with the provisions of Paragraph 4 above it will so notify the Oil Conservation Commission of the State of New Mexico on Commission Form C-103, together with a signed statement from the landowner that the provisions of Paragraph 4 above have been complied with to his satisfaction.
