Gentlemen:

This office acknowledges receipt of the Deviation Survey report, for the above captioned well, but in order to issue an allowable for this well, the Completion Report must be completed.

Enclosed is a copy of the BLM 9-330, Well Completion Report, for the well. The second page has been marked showing what is needed to complete the form.

As soon as this is returned to this office, an allowable can be issued.

We have received a Notice of Connect from Natural Gas Pipeline Company showing the well was connected on June 3, 1983.

We need to issue an allowable on this well as soon as possible.

Sincerely,

A handwritten signature in cursive script that reads "Leslie A. Clements".
