Re: Conversion to Salt Water Disposal
of the Ginger Federal #2
1980' FSL & 1980' FEL of
Section 24, T-26S, R-30E
Eddy County, New Mexico

Dear Mr. Catanach,

In response to the June 8, 1988 request, received by certified mail at this office on June 13, 1988, by Corinne B. Grace to convert the referenced well to salt water disposal, I would like to register a protest to this conversion. Based on our knowledge of geology in the immediate area surrounding the proposed disposal well we feel the injected water will irreparably damage zones known to be productive of oil and gas.

I respectfully request that the New Mexico Oil Conservation Commission schedule a hearing so that we may present evidence to substantiate our claims, and prevent waste of natural resources.

Yours very sincerely,

Mary Huber
