RE: LC-070678-A
Application for Permit to Drill
West Red Lake Unit #81
220' FNL & 1015' FWL, Unit D
Section 8-T18S-R27E
Eddy County, NM

Dear Ms. Askwig:

The above-referenced APD was submitted by Devon Energy Corporation (Nevada) on 10/7/98 and approved by the BLM on 11/6/98. At this time, Devon Energy requests that the APD be cancelled. Devon plans to re-assign the number 81 to another location within the West Red Lake Unit (a replacement well for the West Red Lake Unit #33)

If you need any further information, please call me at 405-552-4515.

Yours truly,

DEVON ENERGY CORPORATION (NEVADA)
