11. Describe Proposed or Completed Operations (Clearly state all pertinent details and give pertinent dates, including estimated date of starting and proposed work.) SEE RULE 1103.

In preparation to drill the captioned well and hole the lease beyond its primary term (per the State Land Office in Santa Fe) Devon drilled 21 feet of conductor hole on 1/12/02.

The drilling of the captioned well has been postponed indefinitely. At this time Devon will fill in compact the 21 feet of conductor hole with the soil removed from the original hole. The original land contour will be restored.

**Cement Install Dry hole marker As per Rule 202.B.2**

Please note: Road, location or pits were not constructed. Access to the well site was via an existing two track ranch road on fee surface per landowner agreement.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
