Mike/Randal

I broke down the files below 10MB each. However, I did receive a notice from BLM that these files were not delivered. Therefore, I sent them individual; if you received these files please let me know. I tried to zip them but could not. I have IT looking into why I cannot zip files. If this fails I can,

- 1) Try sending them through my personal email
- 2) See if our company has a shared cloud so that you can retrieve this information
- 3) Fax them
- 4) I can mail them on a CD
- 5) I can bring them to your office on a CD

Respectfully,

Harley Everhart
