If a Watercourse was Impacted, Describe Fully.*						
Describe Cause of Problem and Remedial Action Taken.*						
Describe Cause of Froblem and Kemedial Action Taken.						
This release was caused when a switch failed at the wellhead. Vacuum the	ucks were dispatched to recover all sta	unding fluid a	nd dispose of at an NMOCD			
approved facility. Repairs were made to the wellhead.						
Describe Area Affected and Cleanup Action Taken.*						
This release impacted the pad primarily and a small area of the pasture. The pad was scrapped and Microblaze was sprayed in the pasture. Concho						
excavated the contaminated area and hauled off material to an approved disposal.						
I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and						
regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger						
public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability						
should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other						
federal, state, or local laws and/or regulations.

RE: Bebidas State #1H 30-025-40855 Unit N Sec.16, T23S-R33E Lea County, NM

Mr. Keyes,

COG Operating LLC would like to submit the enclosed document for closure of the above captioned well. The plan is in response to the C-141 Initial report dated February 14, 2015.

The area of T-2 was excavated to 2' and backfilled with fresh material. All contaminated material was hauled off to an approved disposal. The 15 X 30 area will be seeded with a #3 and #4 seed mixture 50/50.

A signed C-141 Final is enclosed for your consideration. Please feel free to contact me with any questions or concerns at (432) 685-4304.

Sincerely,

Robert Amp

Robert Grubbs Jr.
