Larry,

BLM has granted ETC permission to begin "scraping" the compressor pad area inside the fence line at A-14CS. Will proceed starting tomorrow.

Daniel – as discussed, Martin plans to on site tomorrow at 7am.

Any questions please call,

Thanks,

Subject: Remediation Request

Yolanda,

ETC request permission to begin remediation efforts at the A-14 Compressor Site. At this time, we are requesting to scrape the compressor "pad" area inside the fence line. This will allow us to

mobilize equipment to begin the process of cleaning the tanks and piping etc., once permission has been granted. Attached is a copy of the release diagram for reference.

Any questions please call,

Thanks,

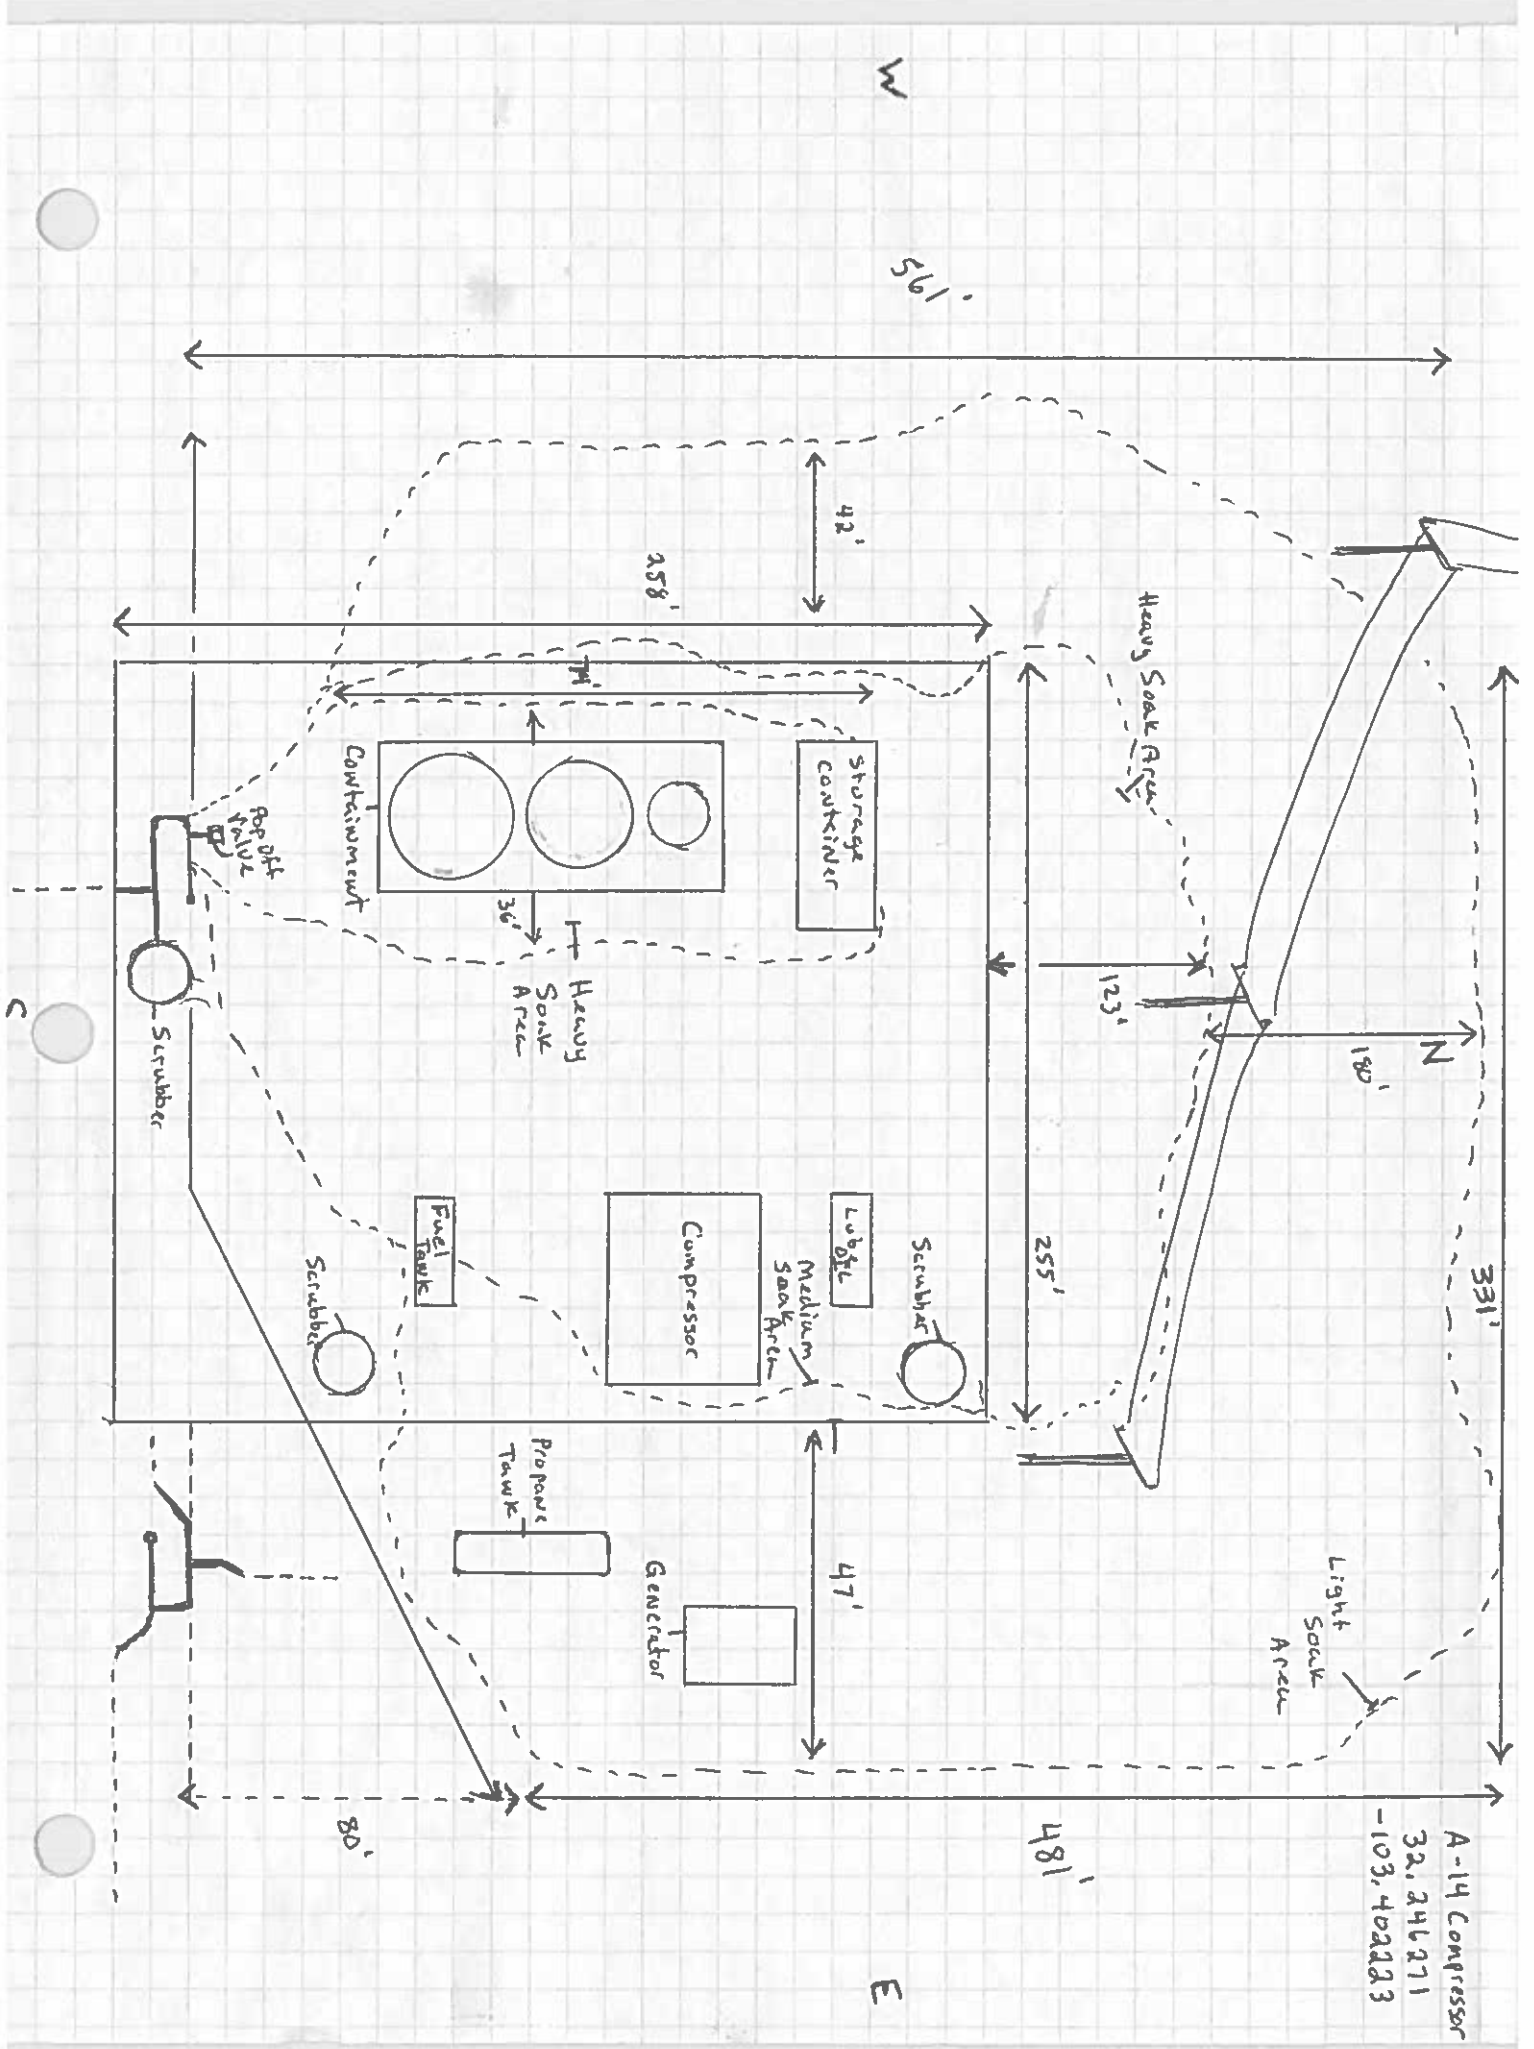

Dean D. Ericson
