Mike

Go ahead with the liner and backfill but drape as much of the liner over the periphery and down the sides as you can... especially at the west side (and especially at W-2,W-3, W-4, W-5 and W-6) and the south end (and especially at S-3, S-4 and S-5). Thank you.

Geoffrey Leking

Subject: Fasken Oil and Ranch Denton Main Line release.

Dear. Mr. Geoffrey Leking,

Fasken Oil and Ranch has provided all information as requested by the NMOCD for the Denton Main line release.

Talon/LPE is requesting permission to place a 20 Mil. Line into the excavated area at the Denton Main line and to proceed with the backfilling of the excavation using new soil transported to the site.

Sincerely,

Mike Stubblefield
Talon/LPE Project Manager
