Subject: **[**EXTERNAL**]** FW: Abandoned Compressor Station

Good Afternoon, Mr. Speer,

I came across an abandoned compressor station located on a Chevron lease that I would like addressed. The area is under E-5886 and it is located in section 32, T19S, R35E. I have listed my concerns below that I will need addressed.

- ❖ Building abandoned and falling apart (Also a pit under building that I would like liner integrity checked)
- ❖ Perimeter fencing obsolete due to disrepair
- ❖ Various debris
- ❖ Former pit/pond
- ❖ Multiple areas of asphaltine indicative of historical releases in and around the area

Please feel free to call me if you have any questions. Thank you,

Amber Groves
