RE: Termination of DP-353

Dear Mr. Brunson:

In accordance with your request of December 5, 1988, DP-353, the discharge plan for the Salty Dog, Inc. Hobbs #1 brine facility is hereby terminated. Since the facility was never constructed, and the abandoned well never re-entered, no plugging and abandonment plans are necessary and EID hereby authorizes cancellation of the plugging bond; no. B517928.

If we can be of further assistance please contact the Ground Water Section staff.

Sincerely,

Stuart P. Castle
