13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent propriss that be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a wei interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandomment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.) Well record only. EOG intends to plug and abandon this well upon receiving all internal approvals. A plugging procedure will be filed shortly. 14. I hereby certify that the foregoing is true and correct.
