Gentlemen:

On June 15, 2001, a policy change regarding Application for Permit to Drill (APD) extensions was issued by the New Mexico State Office, Bureau of Land Management, as Instruction Memorandum NM-2001-33. We are returning your Sundry Notice for the well listed below, requesting an APD extension, because the APD has already received one or more extension(s) and is not eligible for extension. You still have until the expiration date of the last approved extension to begin drilling operations on this well. After that date, you will need to resubmit the APD.

NM-111242      Pearsall 6 Federal #4      2280'S & 990'W      Sec.6, T.18S, R.32E

This APD was approved 09/13/02, and the last approved extension will expire on 09/13/04.

Sincerely,

*151 Russell E. Sorensen*
