13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

This sundry being filed for well record only.

A BLM approved plugging procedure has been received for this well, however EOG is still producing the well. The well will be plugged at some point in the future.

Current production, 9/3/04: 7 mcpd, 0 bopd @ 70 psi.

Accepted for record only! Approval
subject to returning well to
continuous production and keeping
well on continuous production!
