13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Co. requests permission to Temporarily Abandon the above referenced well, as per our phone conversation on 9/30/04 with Armondo Lopez.

This well has a casing leak at 940' to 955' a RBP is set at 3500'. We would like to evaluate the well bore for potential in other zones if no economic potential can be found we will submit procedures to P&A the well by the end of the year to comply with the agreement set in place earlier in the year.

Chris Williams with the NMOCDD has been notified, 9/29/04, and gave Verbal permission to proceed with this plan.

14. I hereby certify that the foregoing is true and correct
