13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Convert East Hobbs San Andres Unit #111 to a Water Injection well.  
Form C-108 Filed by previous Operator, copy attached.  
Estimated start date October 20, 2004.

1. Plug back San Andres open-hole 4449-4698 to a depth of 4650 using sand capped with cement.
2. Run internally coated packer and tubing to 4410.
3. Circulate annulus to corrosion inhibited fluid.
4. Set packer, run mechanical integrity test.
5. Commence injection.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
