13. Describe Proposed or Completed Operation. Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

7/20/11 Made 5' new hole at 2:10 PM TD 125'. Hole size 12-1/4". Notified E.L. Gonzales NMOCD-Hobbs of operations via email.

Hi EL Gonzales "Speedy"

RECEIVED

Hope this note finds you well. I have a question how long are we going to continue approving 5' new hole on the #1H Mongoose BLM Fed Com? How can we make them drill this thing?

Thank you for the help.

Angel Mayes
