13 Describe Proposed or Completed Operation. Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Dear Mr. and Mrs. Grobe,

In consideration of the restoration operations performed upon the captioned well site, and other good and valuable considerations, PAR has concluded all of its obligations relative to surface restoration, contractual or otherwise, and same have now been fulfilled. Please evidence your full satisfaction and release of surface restoration obligations in captioned regard by signing and returning a copy of this letter to the undersigned as soon as reasonably possible.

Respectfully,
