Ref: APD Approved Permits for <u>Sharbro Federal #10 (API 30-25-40218)</u> and Sharbro Federal #11 (API 30-25-40219)

Dear Cindy:

Enclosed please find a copy of the APD permits for both <u>Sharbro Federal #10</u> and Sharbro Federal #11. Both of these permits were approved by the BLM (August 4, 2011) and NMOCD (August 5, 2011). Upon checking the NMOCD website, I noticed that both Exhibit 6 (Plan of Development) and Exhibit 10 (C-144 CLEZ schematic) are incorrect. The BLM had rejected the original two exhibits so EnerVest resubmitted. Per conversation with Duncan Whitlock of the BLM/Farmington office, both these exhibits are approved and in BLM's file. Is it possible for you to rescan? I am also attaching a copy of the C144 CLEZ for the state's file.

Should you have any question or comments, please feel free to call the undersigned at 713-495-1571. Thank you very much.

Very truly yours,

EnerVest Operating, Ltd.
