Form C-102: Well Location & Acreage Dedication  
Wellbore Inclination Report  
Eumont State #2 [API No. 30-025-38712]  
Lea County, New Mexico

Ladies and Gentlemen:

Enclosed please find the following documents:

- 5 copies of the OCD Form C-105 completion report
- Associated log for the captioned well (Dual Latrolog)
- 4 copies of the OCD Form C-102 well location
- 1 original Wellbore Inclination Report signed and notarized by Capstar Drilling

Kerns hereby requests that the C-105 data and downhole logs be kept confidential for 90 days as provided under OCD Rule 19.15.13.1105(C).

Please be advised that a form C-104 with the filing code/date 'RT August, 2009' was submitted via fax to Donna Mull of the OCD on August 14, 2009. We expect the well to be hooked up for gas sales shortly and will submit a second C-104 with the filing code/date 'NW September, 2009' at that time.

If there are any questions regarding this filing, please contact me.

Sincerely,

Kerry A. Johnston  
Vice President
