RECEIVED

Re: Submittal of an Amendment to the CAPROCK STATE 35 1H APD
Section 35, T14S, R31E, Chaves County, NM API# 30-005-29114

As an Agent for:
Marshall and Winston Incorporated,
POB 50880,
Midland, TX, 79710-0880,
(432) 260-8650

The operator wishes to revise the bottom hole location of the subject APD which was approved on 12/30/2009. The initial BHL was approved to be 660' FSL & 330' FEL of section 35-P, T14S, R31E.

The new BHL and hole profile has been revised into Sec. 36 to 330' FSL & 2310' FWL of section 36-N, T14S, R31E.

The only change to the downhole drilling plan is extending the horizontal portion to a MD of 15,933' and running the 4 1/2" production string to 15,933'.

Attached is a revised C101 and C102, drilling plan, BOPE, C144.

Should you have any questions regarding this amendment, contact Gary Gourley (575) 623-5880 or Vernon Dyer at (575) 420-0355.

Sincerely,

Gary Gourley
