Subject: Final Abandonment Notice for the Milnesand SA Unit No. 63 Well

Gentlemen:

Unit C

The Bureau of Land Management (BLM) is in receipt of your Final Abandonment Notice dated 8 September 2011 for the Milnesand SA Unit No. 63 well, located 330 FNL & 1650 FWL of section 8, T. 8 S., R. 35 E., Roosevelt County, New Mexico.

On 13 September 2011, Kevin Bussell, Petroleum Engineer Technician, and Beth Skaggs, Environmental Protection Specialist, inspected this site. This well site is being placed in a **two-year monitoring status**, pending satisfactory revegetation of the site. The BLM will reinspect this location, and when the site is determined to be in a safe, stable, and satisfactorily revegetated condition, the BLM will process and approve your request for Final Abandonment.

Onshore Order #1 XII B states, "Final abandonment will not be approved until the surface reclamation work ... has been completed to the satisfaction of the BLM ..."

Should you have any questions concerning our monitoring of the location, please contact Beth Skaggs, Environmental Protection Specialist, at 575-627-0210.

Sincerely,

/s/ Angel Mayes
