13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The attached well list was referenced in the BLM Notice of Written Order 12RH17W. Cano Petro of NM requests permission to Temporarily Abandon these wells, with the intent of utilizing the wells in the future. More specifically, the company anticipates using the wells in the Cato San Andres Unit as producers, injectors, or monitoring wells for the existing waterflood, or in an expansion of the existing waterflood.
