Gentlemen:

Your Application for Permit to Drill (APD), approved October 23, 2007 for two years and extended two additional years to October 23, 2011, for the Wrinkle 13 Federal Com Well No. 3H, located 1980 feet FNL and 330 feet FEL (SE $\frac{1}{4}$ NE $\frac{1}{4}$) Sec. 13, T. 15 S., R. 31 E., Chaves County, New Mexico, Federal lease NM-105887 has expired October 23, 2011 because drilling had not commenced by the extended approval date.

If drilling operations have commenced on the referenced well, please contact David Glass, Petroleum Engineer, Lands and Minerals at (575) 627-0275 and send all necessary reports (spud, casing/cementing, etc., 1 original and 5 copies) so we may correct our records.

If the well has not been spudded, but site construction activities have occurred, please contact this office at the above telephone number for surface reclamation instructions.

If you wish to drill this well at a later date, please submit a complete application (1 original and 5 copies). Since the original APD has expired, the resubmitted APD will be subject to all of the processing requirements including the 30-day posting requirement. Please note on the resubmitted APD that it was previously approved and we will review the expired file for information which will expedite the processing.

Sincerely,
