13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The original submitted and approved APD (BLM Form 3160-3 approved on 01/05/2005-copy attached) had the "incorrect or wrong" operator name of Pure Resources, L. P. for this well. The "CORRECT" operator name for this well is:

HEC Petroleum, Inc. (OGRID No. 009812)
500 W. Illinois
Midland, Texas 79701

All other subsequently submitted Sundries (BLM Form(s) 3160-5) have had the "CORRECT" operator name of HEC Petroleum, Inc. on them and should be ok. This correction is submitted based upon a request from NMOCD in order to complete and keep all records consistent. Please forgive our oversight on this. This is not an operator name change, this is only a correction of the operator name that was placed on the original submitted APD (or BLM Form 3160-3). Thank you for your time and help in this matter.

HEC Petroleum, Inc. accepts all applicable terms, conditions, stipulations, and restrictions concerning operations conducted on the leased land, or portion thereof, under HEC Petroleum, Inc.'s \$150,000 (blanket) BLM Bond No. RLB 0004133.
