RECEIVED

Gentlemen:

Your Application for Permit to Drill (APD) for the referenced well has expired because drilling has not commenced per Onshore Order #1:

LEASE	30-025-384 67 WELL NAME AND NUMBER	LOCATION	APD EXPIRATION DATE	(IF APPLICABLE) EXTENSION EXPIRATION DATE
NM90	AMAZING BAZ FEDERAL #7	330 FSL & 1650' FEL, SEC. 19 T22S R32E	6/25/2008	6/25/2011

If the well has not been spud, but site construction activities have occurred please contact Jim Amos at (575) 234-5909 for surface reclamation instructions. If drilling operations have commenced on the well send all necessary reports (spud, casing/cementing, etc., 1 original and 3 copies) to the BLM so we may correct our records.

If you wish to drill a well at a later date, please submit a complete application (1 original and 3 copies) to this office. Since the original APD has expired, the resubmitted APD will be subject to all processing requirements including the \$6,500 application fee and the 30-day posting period. Please note on the resubmitted APD that they were previously approved and we will review the expired files for information which will help expedite the processing.

If you have any questions, please contact Duncan Whitlock at (575) 234-5926.

Sincerely,

J. D. Whitlock
Don Peterson
Assistant Field Manager, Lands & Minerals
