Subject: Southeast Monument Unit Blinebry-Tubb-Drinkard Pool Consolidation, Lea County, New Mexico

Mr Kautz:

Thank you for your recent time in meeting with ConocoPhillips Company representatives to discuss the process and potential issues in consolidating the various Blinebry, Tubb and Drinkard pools within the Southeast Monument Unit.

As a follow-up to our meeting, ConocoPhillips Company hereby respectfully requests that the NMOCD re-draw the various pools, both vertically and horizontally, in an effort to consolidate the Blinebry, Tubb and Drinkard pools across the entirety of the Southeast Monument Unit boundary, further described below. As discussed, please begin with the Warren;Drinkard pool and make application for a Nomenclature Hearing requesting the extension of the vertical limits of said pool to include the Blinebry and Tubb pools. Additionally, the application should include extending the horizontal limits of the pool to the borders of the SEMU Unit. The remaining various Blinebry, Tubb and Drinkard pools will be contracted such that the end result will be one SEMU;Blinebry-Tubb-Drinkard pool.

Once you have presented the application to Santa Fe, please advise the set date for the Nomenclature hearing.
